AP Capital was founded in 2012 in Hong Kong by Patrick Chiu prior to setting up AP Capital he was an Equity Derivatives Delta One Trader at Barclays Capital & JP Morgan.

Currently we are a Global Hedgefund with over 120+ staff across AP Capital & Mamoru in over 20+ Countries and growing. AP Capital business's are Prop Trading, Asset Mgt & Private Equity / VC across traditional finance & Digital Asset trading.

We are Licensed & Regulated by the SFC in HK <https://apps.sfc.hk/publicregWeb/corp/BFD387/details>
HKSE Market Maker for ETF & Liquidity https://www.hkex.com.hk/Products/Securities/Exchange-Traded-Products/Market-Makers/List-of-Market-Makers?sc_lang=en.

We have over \$500m USD AUM and trade up to \$1b USD notional daily volume.

We focus on Market Neutral, Relative Value style trading, focusing on Market making, Delta One, Arbitrage & other Prop trading strategies. AP generates positive returns and outperforms the market by finding inefficiencies in the microstructure. We also provide liquidity and better pricing to Global markets.

AP Capital has built its own Proprietary Trading platform which has wide connectivity across major Exchanges (Equity, Futures, Commodities, FX, Bonds, Credit, Rates & Digital Assets). This allows us to be agile and flexible without being dependent on any third parties. We carefully manage and monitor risk to minimize downside risk.

We are highly diversified across traditional assets (FX, Equity, Commodities, Bonds, Credit, Rates & Digital Assets) & geographically we Trade all Developed Markets, Emerging Markets and some Frontier markets (LATAM, MENA & SSA).
